Discipline:	MATH TEACHER
Level Grade:	Secondary Education
Position Type:	Full Time Contact Hours: <u>32 per week</u>
Reports to:	Chair, Integrated Sciences
Salary:	\$38,467 - \$53,247 per annum <i>Commensurate with exp.</i>
Anticipated Start Date:	July 2015

GENERAL DESCRIPTION

The ACADEMIC STUDIO FACULTY CANDIDATE will be able to show a demonstrated commitment to developing highly personalized rigorous learning experiences for a diverse group of students in a team teaching environment with an integrated curriculum. Successful Applicants will have imagination, vision, and deep-rooted passion for spanning traditional boundaries among arts and academic disciplines. As mentors to individual students, teachers must model integrity, fairness, flexibility, and high ethical standards. As leaders and colleagues, teachers must be able to demonstrate positive interactions and relationships with parents, faculty, administration, and staff. An enthusiasm for working in a dynamic, fast-paced environment that is characterized by continuous growth is critical.

JOB DUTIES

- Plans, organizes and teaches high school students in primary subject area in collaboration with science faculty peer in team teaching integrated curriculum environment
- Leads individualized enrichment supports for students
- Collaborates with students, parents, faculty, administration, and staff to facilitate students' engagement and successful completion of the program as mileposts towards post-secondary options and success
- Displays leadership through the efficient management of classroom activities, projects, and events
- Engages in on and off-site student events outside of the traditional working day;
- Engages in outreach and community events that support and enhance the mission of NOCCA and the Academic Studio
- Participates in professional growth opportunities and incorporates that learning into academic curricula
- Complies with NOCCA policies and procedures, meeting required deadlines and participating in required meetings
- Attends and participates in additional NOCCA campus events, including but not limited to: faculty orientation and all-staff meetings, Open Studio days, audition workshops, administrative support to student auditions, Celebration season performances, Presidential Honors, Celebration ceremony, and other departmental and campus initiatives as requested / required
- Demonstrates excitement for non-traditional methods of teaching and assessment
- Utilizes project based assignments to deliver content
- Demonstrates ability to find opportunities which allow differently abled learners to find their greatest potential
- Works directly and collaboratively with other faculty members, administration and parents to serve the needs of differently abled learners
