## ABOUT

New Orleans Center for Creative Arts (NOCCA) is a regional, pre-professional arts training center that offers students intensive instruction in culinary arts, dance, media arts: filmmaking & audio production, music (classical, jazz, vocal), theatre arts (drama, musical theatre, theatre design), visual arts, and creative writing, while demanding simultaneous academic excellence. Students are admitted by arts audition and enroll in only one art program. The program is tuition-free to all Louisiana students who meet audition requirements and our current student population represents sixteen parishes. NOCCA is designated as a 2016-2018 Exemplary School by Arts Schools Network, the nation's largest professional membership organization of specialized arts schools.

The Academic Studio, NOCCA's full-day diploma-granting college preparatory program, is in its sixth year and was founded on the same principles of learning that have been at NOCCA's core since its inception. Students, accepted by a successful arts audition, learn through problem-solving and project-based methods in two integrated courses each year: Sciences (Math and Science) and Humanities (English and History). All of the integrated courses rely heavily on reading, writing, inquiry, and small-group work as the main methods for knowledge acquisition and exploration. A description of each course is available on NOCCA's website.

Due to NOCCA's focus on collaboration and ensemble, students are not ranked. All students take the same Academic courses, though students may elect to take on extra challenges in their coursework for some classes and receive honors credit. All honors courses receive one extra quality point. Additionally, Juniors and Seniors have the opportunity to participate in dual enrollment.
