

TERM TIME FINANCIAL AID 2016-17

FILL OUT ONLY IF YOU ARE APPLYING FOR AID

The NOCCA Institute offers financial assistance for art and academic department fees, certain supplies, required extracurricular lessons, and other direct costs related to fulfilling the requirements of NOCCA's arts-training program. We do not provide assistance for the cost of daily transportation or for senior fees. 2016-17 Term-Time Aid grants run from September - May. Term-Time Financial Aid is based solely on a student's documented financial need.

REQUEST DEADLINES -

Department and Technology Fees - due Monday **August 1, 2016**

National Association of Teachers of Singers Regional Auditions - due Friday, **September 30, 2016**

Chicago Unified National Auditions - are due Friday, **October 21, 2016**

National High School Dance Festival - are due by Friday, **December 2, 2016**

Applications may be submitted throughout the year for other needs and may be approved if funds are still available. Students will be notified by mail if they are awarded financial aid. Department Fee notifications will be made by **September 19, 2016**.

REQUIREMENTS

To be eligible, applications must:

1. **Be complete and submitted by the deadline.**
2. **Include proof of total family income.**
3. **Include a short essay written only by the student (see guidelines below).**

Once an essay and family proof of income for a school year is on record, you do not have to resubmit this information for additional applications.

GUIDELINES

1. Proof of total family income may be in the form of the first two pages of the most recent tax returns of BOTH parents or legal guardian; documentation of social security; pay stub; child support and/or public assistance.

PLEASE BLACK OUT ALL SOCIAL SECURITY NUMBERS -- They will be listed on the top right hand corner on both pages and in each Dependent box.

2. In the essay, please describe yourself, your art and community activities and why you are applying for assistance. Essays may be typed or neatly hand-written.
3. Parents or students are welcome to submit a letter of **special financial circumstances**, documenting special need not apparent from proof of income, such as the number of children in your family, family illness, or recent loss of income.
4. Financial aid is terminated immediately should a student leave NOCCA's program during the school year.
5. Due to the number of requests for Financial Aid, The NOCCA Institute may provide only partial grants to qualifying students.

SIGNED CONTRACT

A contract is mailed to students who are awarded Financial Aid. It must be returned with both student's and parent's signatures. Financial assistance will not become effective until a signed contract is returned to The NOCCA Institute office. Payment is not retroactive; for instance, if a student applies for Financial Aid in December for private lessons, payment for lessons will start in December even if lessons began in September.
